We Welcome Inquiries From Practitioners Of Other Wholistic Fields

It is the healing power that can help change the way you feel, the way you move, the way you live. Today, many people are exploring the advantages of alternative or complimentary health care as a natural complement to established medical approaches. Research and studies are proving what Professional Massage Therapists, Wholistic Practitioners and their clients have known for years,

We Have A Powerful Tool At Our Fingertips

About MTWPAM

The Massage Therapists' and Wholistic Practitioners' Association of the Maritimes has been helping clients and practitioners in Atlantic Canada since 1994. Our mission is to offer the highest professional standard of preventative and therapeutic health services to the public. **MTWPAM** aims to:

- **Uphold** professional standards and a Code of Ethics for its members.
- **Provide** a supportive framework for complimentary health care professions.
- **Educate** the public and health care community about the benefits of each modality.
- **Facilitate** an interactive and communicative link between complimentary health care and medical communities.

What Are You Waiting For ?

Get in touch with us to find out how to join our team as an **MTWPAM** member.
